

2021-2022 MHS Chiefettes Sponsorship Program

Why Sponsor a Local Team?

Corporate and business sponsorship is a major source of funding for many team sports, whether professional or community based. Being a team sponsor shows that you not only believe in your business but you believe in community involvement and activity. Sponsoring opens many doors for a

business or a corporation. It markets your business to groups that may not otherwise use your services. Parents support businesses that support their schools and teams, this is especially true in Fayette County.

What we have to offer our Sponsors:

Our Group Sponsor Banner is approximately 4'x16'. It is digitally produced on canvas and is prominently displayed year-round in the MHS gymnasium. We are the ONLY team that offers this at McIntosh.

Platinum Level (\$500)**
